THE DIVORCE COURT

SYNOPSIS . . . Six persons are rear support, was thrown back as thing for her." He shook his head, have been holding a series of in an inner office of the law firm against a cushion, so that she "She isn't just ill or unconscious; hearings in a divorce action in my of Dawson, McQuire and Locke at leg stretched out straight, while Philadelphia. A master hearing in the divorce case of Rowland vs. the right one was bent at the leg stretched out straight, while the right one was bent at the leg stretched out straight, while in the divorce case of Rowland vs. the right one was bent at the leg stretched out straight, while in the divorce case of Rowland vs. Rowland is under way. Mrs. Row-knee, drawn against her body. Her Wednesday afternoon, when Tom- ing of the divorce was to be preland, represented by her lawyer brother, Mr. Willard; Mr. Rowland, restion, Mr. Willard; Mr. Rowland, restion of the complaining party of the thorocal and thin, rather than loose, in a sugbrother, Mr. Willard; Mr. Rowland, the defendant, and his attorney, Mr. Trumbull; the court clerk and Mr. Dawson, the master, are the six persons. There is a new develsity of the recumbent, was written in over the start. Anxiety was written in over the start. Anxiety was written in over the start of the start of the law office of Dawson, Machines figure caused the group to pause on the threshold for an instant. Anxiety was written in over the start of the opment in the case. After failing to defend himself against the stant. Anxiety was written in every face, except Mrs. Rowland's. to defend himself against the charge of adultery in earlier hearings, Mr. Rowland digs -up evidence and asks the court's perdence and asks the court's perde

mission to produce witnesses and water her the gent robbery at the realistic wentworth home in est and he asked sharply: resist the suit. Judge Dawson overrules the heated objections of that . . she wasn't well."

waken her. Then I discovered Mount Airy.

"Not normal? That leaves only murder or suicide? Where was "Here's a new job for you, Tomoverrules the heated objections of Mr. Willard, and orders Mr. Trumbull to bring in the first witness. Mr. Trumbull has just gone to an overrules the heated objections of "But what is it? What's the matter with her?" the clerk querbulled breathlessly. "She looks so who phoned, and he was worried; overrules a new job for you, Tombull to bring in first witness. The lawyer inclined his head who phoned, and he was worried; toward the door, leading from the NOW GO ON WITH THE STORY. As they waited the door opened and Mr. Trumbull reappeared. But he was alone, a different man from

the shrewd, vigilant attorney who, only a brief time before, had left the office. He had difficulty find ing his tongue. "Good God, come quickly, all of you!" he managed to gasp out. "don't know what's the trouble, but something is seriously wrong He grasped the back of his chair to support himself, and Mr. Daw son cut in sharply. Something wrong, Mr. Trumbull? What do you mean-what's the matter?" Allen Rowland was the first to spring to his feet. 'What's happened, Trumbull?'

he demanded, in a voice filled with anxiety. "Mrs. Keith's all right, worry about her?" The other shook his head solemn-He shook his head. "She isn't just ill or unconscious: she's ally. "I'm afraid she's very ill, Rowland. She's unconscious—completely out; she shows no animation and I can't get any reaction strange-so pale and stiff." or rouse her. And she looks dread- In two quick strides Allen Row- reputation for keeping his head in succumbed." fully white. . . . We had all better land crossed to the swivel chair. almost any crisis."

his sister, in whose eyes gleamed ly. "Mr. Dawson, isn't there a Where do I go?" a light, had it been observed, that suggested an emotion more powerful than mere interest; while his own lips curved in a smirk.

In this order, they all passed through the chamber adjoining Mr. Dawson's office, an anteroom into which his door opened. It was also the law library of the correct Two other doors led from the library, the one in the left wall, opposite the windows, into a light, had it been observed, that doctor in the building?"

the library, the one in the left wall, moposite the windows, into the main office of the suite, where the employees—stenographers, tell-ephone operator and law clerks—worked. The second door opened directly across from Mr. Dawson's.

It was ajar, and, led by Row-land, the group crowded through it into still another office. It contained a dark oak table, oak echairs with leather seats, and a plain, dull green carpet. From the hall, the inscription read, "1505."
Law Offices. Dawson, MacQuire & Locke. Entrance at 1507."

A woman sat in the swivel chair, but in a peculiar position that promptly revealed something was wrong. She slumped rather than rested in it, her weight pushing it back on its pivot. Her
